FEES & PAYMENT

BUILD FEE (ONE-TIME)	DEPOSIT DUE NOW (50%)	BALANCE DUE AT LAUNCH (50%)	MONTHLY RETAINER
\$ _____	\$ _____	\$ _____	\$ _____

Work begins upon receipt of deposit. Balance is due on launch day before the site goes live. Monthly retainer begins on the first of the month following launch and recurs on the same date. Invoices unpaid after 14 days incur a 1.5% monthly late fee.

TERMS & CONDITIONS

1. Revisions

The build fee includes two (2) rounds of revisions. A revision round is a consolidated list of changes submitted at one time. Additional revisions beyond two rounds are billed at \$75/hour.

2. Client Content

Client is responsible for providing all text, photos, logos, and other content required for the project. Content must be delivered within 14 days of signing this agreement. If content is not received within 14 days, a \$200 delay fee will be invoiced and the project timeline will be adjusted accordingly.

3. Hosting & Ownership	The completed website will be hosted on Groundwork Studio's Netlify account and covered under the monthly retainer. Client owns all website content (text, images, copy). Groundwork Studio retains ownership of the underlying code and design until the build fee is paid in full. Upon cancellation of the monthly retainer, client may request a site migration; a one-time migration fee of \$250 applies.
4. Intellectual Property	Client warrants they own or have rights to all content provided. Client grants Groundwork Studio permission to display the completed website in its portfolio.
5. Cancellation	If client cancels after work has begun, the deposit is non-refundable. Any work completed beyond the deposit value will be invoiced at the project's hourly rate of \$75/hour. Groundwork Studio may cancel this agreement with 14 days written notice if client is unresponsive for 30+ consecutive days.
6. Warranties & Liability	Groundwork Studio will build the site to industry standards and maintain it under the monthly retainer. Groundwork Studio is not liable for losses resulting from website downtime, third-party service outages (hosting, domain registrars, payment processors), or content errors provided by the client. Total liability is limited to fees paid in the prior 30 days.
7. Termination of Monthly Retainer	Either party may terminate the monthly retainer by providing 30 days written notice via email. The retainer fee for the final 30-day notice period is due in full and non-refundable. The website will remain live through the end of the notice period. Upon termination, Groundwork Studio will take the website offline unless client has requested and paid for a site migration prior to the termination date (\$250 one-time fee, per Section 3). Any outstanding balances must be settled before migration or handoff is completed.
8. Governing Law	This agreement is governed by the laws of the State of Arizona. Any disputes shall be resolved in Maricopa County, Arizona.
