\$ _____	\$ _____	\$ _____	\$ _____

Work begins upon receipt of the 50% deposit. Balance is due on launch day before the site goes live. Monthly retainer begins on the first of the month following launch. Invoices unpaid after 14 days incur a 1.5% monthly late fee. Payments may be made via invoice (Wave), check, or ACH.

TERMS & CONDITIONS

1. Revisions

The build fee includes two (2) rounds of revisions. A revision round is a single consolidated list of changes submitted at one time via email. Additional revision rounds are billed at \$75/hour, invoiced separately.

2. Client Content

Client is responsible for providing all text, photos, logos, and other content required for the project. Content must be delivered within 14 days of signing. If content is not received within 14 days, a \$200 delay fee will be invoiced and the project timeline will be adjusted accordingly.

3. Hosting & Ownership

The completed website will be hosted on Groundwork Studio AZ LLC's infrastructure and covered under the monthly retainer. Client owns all website content (text, images, copy authored by client). Groundwork Studio AZ LLC retains ownership of the underlying code, structure, and design until the build fee is paid in full. Upon cancellation of the monthly retainer, client may request a site migration for a one-time \$250 migration fee.

4. Intellectual Property

Client warrants they own or have licensed rights to all content provided. Unless client opts out in writing at signing, client grants Groundwork Studio AZ LLC permission to display the completed website in its portfolio, case studies, and marketing materials.

5. 35-Day Satisfaction Guarantee

If client is not satisfied with the completed website, or the site has not generated measurable results, client may request a full refund of the build fee within 35 days of the site going live. To invoke this guarantee, client must submit a written refund request via email to evan@teamground.work within the 35-day window. Upon receipt, Groundwork Studio AZ LLC will process the full build fee refund within 5 business days. The website will be taken offline upon refund. Any monthly retainer fees paid during the live period are also refunded in full under this clause. This guarantee applies to the build fee only and does not apply if cancellation is requested before launch.

6. Pre-Launch Cancellation

If client cancels after work has begun but before the site goes live, the deposit is non-refundable. Any work completed beyond the deposit value will be invoiced at \$75/hour. Groundwork Studio AZ LLC may suspend or cancel this agreement with 14 days written notice if client is unresponsive for 30+ consecutive days or if payment is outstanding beyond 30 days.

7. Warranties & Liability

Groundwork Studio AZ LLC will build the site to professional standards and maintain it under the monthly retainer. We warrant the site will function as designed on major current browsers (Chrome, Safari, Firefox, Edge) at launch. Groundwork Studio AZ LLC is not liable for losses resulting from website downtime, third-party service outages (including hosting providers, domain registrars, or payment processors), or errors in content provided by the client. Total liability under this agreement is limited to fees paid in the 30 days prior to the claim.

8. Termination of Monthly Retainer

Either party may terminate the monthly retainer by providing 30 days written notice via email. The retainer fee for the final 30-day notice period is non-refundable. The website will remain live through the end of the notice period. Upon termination, the site will be taken offline unless client has paid the migration fee (\$250) in advance. All outstanding balances must be settled before any migration or handoff.

9. Confidentiality

Both parties agree to keep confidential any proprietary business information shared during the course of this engagement and not to disclose it to third parties without prior written consent, except as required by law.
